

THEATA

Uniquely situated beneath Waterloo Bridge along London's Embankment.

The iconic 850 capacity super club is a welcome addition to the electronic scene in the capital.

The pulsating custom built L' Acoustic Sound system and state of the art lighting installation, is designed to put the customer experience at the forefront of it's operation.

4 luxurious bars spread across 2 floors with a terrace overlooking the stage and dance floor, you're invited to indulge.

Our more discerning partygoers can be hosted at one of our 30 VIP tables.

The concept is simple..... dance, feel, forget.

From world renowned DJ's, to local talent gracing the stage, THEATA is calling.
